## MISSION STATEMENT

We come today to share the goodness of our Lord and Savior, Jesus Christ. When we think of His goodness, His mercy, and His loving kindness – we have to agree what a mighty God we serve. For through all the storms and devastations that life can bring upon us - He alone continuously brings us through with testimonies that we may share with those who are still going through their storm. To inspire in them hope, trust and understanding that there is a higher power that will bring them through.

At Roberta Heck Ministries we are committed to extending the Kingdom of God here on earth. We spread the “good news” of the kingdom globally through our books, weekly devotionals, inspirational products, television and radio.

We sponsor annual events including our “Teen Poet for Christ” Contest and Enduring Power of Faith Conference.

We must attest to His goodness so all would know that as it is for us, so it is for you. Repent for the kingdom of God is at hand.
